Dear Mr. Godburn,

I would like to extend my congratulations on your being named a member of the Connecticut Veterans' Hall of Fame Class of 2012. As you know, the Hall of Fame was established to increase awareness of the lifetime contributions of veterans following honorable military service.

The selection committee receives many worthy nominations each year and has the distinct honor of identifying a select few for recognition in the Connecticut Veterans' Hall of Fame. I join with family, friends and other state officials in acknowledging your achievements. Thank you for your service to our country and also for the significant impact you have made on your community. All the best in your future endeavors.

Sincerely,

George Jepsen
