PREAMBLE

This Agreement is entered into between the City of Meriden, CT (hereinafter referred to as the Employer) and Local 3886 of Council 4, AFSCME, AFL-CIO (hereinafter referred to as the Union).

This Agreement is designed to provide for an equitable, peaceful, and prompt procedure for the resolution of differences in accordance with the grievance procedure specified herein, in order to maintain and promote a harmonious relationship between the Union and the City and to encourage more efficient and progressive service in the public interest.

ARTICLE I **RECOGNITION**

Section 1. The Employer recognizes the Union as the exclusive collective bargaining representative for all School Crossing Guards regularly employed, and substitutes, by the City of Meriden as certified by the Connecticut State Labor Department in case #ME-8273, Decision #2266. Said recognition is solely for purposes of collective bargaining in respect to wages, hours, and other conditions of employment.

Section 2. The name and address of each newly hired, promoted, or transferred employee eligible for this bargaining unit shall be sent to the President of the Union by the Personnel Department of the Employer within thirty (30) calendar days of the date of hire, promotion, or transfer.

ARTICLE II **RESPONSIBLE RELATIONSHIP**

The Employer and the Union recognize that it is in the best interest of both parties and employees that all dealings between them be characterized by mutual responsibility and respect.

ARTICLE III **UNION SECURITY**

Section 1. All present employees and all employees hired or transferred into the bargaining unit shall be required, as a condition of continued employment, to join the Union and pay Union dues or to pay a service fee to the Union as set by the Union in accordance with applicable law, within sixty (60) days from the date of hire or transfer. Employees who fail to comply with this requirement shall be discharged by the Employer within thirty (30) days after receipt of written notice to the Employer from the Union.

The Union shall not interfere with the rights of the employee during the six (6) month probationary period.

Section 2. The Union agrees to indemnify and save the Employer harmless against any and all claims, demands, suits, or proceedings arising out of the correctness of any dues deduction or agency fee authorization furnished by the Union to the Employer.

ARTICLE IV **DEDUCTION OF UNION DUES**

Section 1. The Employer agrees to deduct each week from the wages of each employee in accordance with Article III, Union Security, who so authorizes such deduction, the amount of Union dues or service fee as certified to the Employer by the Secretary-Treasurer of the Union.

Section 2. Deductions shall be remitted by the fifteenth (15th) of the month following such deduction and the Employer shall furnish the Union with a record of each deduction showing the amount and the employee from whom such deduction was made and a listing of those employees from whom no deduction was made.

Section 3. The Employer shall not be held liable for an employee's membership dues or service fee if said employee is not on the payroll during the specific deduction week. This deduction agreement shall be for the duration of this Agreement and is non-cancelable.

ARTICLE V **NON-DISCRIMINATION**

The Employer and the Union agree that for the duration of the Agreement neither shall discriminate against any employee in any manner which would violate any applicable laws because of race, creed, color, sex, nationality, qualified handicap, or political belief, nor shall the Employer or the Union discriminate against any employee because of his membership or non-membership in the Union.

ARTICLE VI **MANAGEMENT RIGHTS**

Except as specifically limited by the express provisions of this Agreement, the Employer retains traditional rights to manage and direct the affairs of the City in all of its various aspects and to manage and direct its employees including but not limited to the following: To plan, direct, control, and determine all the operations and services of the City; to supervise and direct the working forces; to establish the qualifications for employment and to employ employees; to schedule and assign work; to establish work and

productivity standards and, from time to time, change those standards; to assign overtime; to determine methods, means, organization, and number of personnel by which such operations and services shall be made or purchased so long as this is not done for the purpose of undermining the Union; to make and enforce reasonable rules and regulations; to discipline, suspend, or to discharge employees for just cause (probationary employees without cause); to change or eliminate existing methods, equipment, or facilities, provided, however, that the exercise of any of the above rights shall not conflict with any of the express written provisions of this Agreement.

ARTICLE VII **HOURS OF WORK**

Section 1. The hours of work shall be during a work week, Monday through Friday and shall be determined by the City in order to meet the needs of the various school locations, the safety of the school children, and the efficiency with which the services are rendered.

Section 2. The minimum or maximum hours paid shall be three (3) hours of pay for each employee who completes the assigned daily work assignment, however, any additional assignments at the Public or Parochial Schools will be paid at one (1) additional hour of pay for each hour worked.

Section 3. When it is impossible for an employee to work a daily assignment due to illness or other legitimate reason, the employee shall notify the Substitute Contact Person by 6:00 AM that he/she will be unable to work that day in order to provide sufficient time for scheduling a substitute. If an employee cannot make one shift during the course of the day, the Substitute Contact Person must be notified at once. Failure to notify the Substitute Contact Person of an absence may be cause for disciplinary action.

Section 4. All employees shall be provided with a minimum of four (4) hours training annually, and all newly hired substitutes and/or newly hired regular employees will receive two (2) daily assignments of orientation.

Section 5. All regular employees shall receive their regular daily rate of pay for the following holidays or school closing as determined by the School Calendar:

Section 6. In the event an employee wishes to take any paid personal leave (including sick leave) for legitimate religious purposes of either the employee or his/her spouse, which is not contained in the list of holidays outlined in Section 5 above, the employee may use paid sick leave.

Section 7. Any employee who works on the aforementioned holidays shall be paid time and one half (1 ½) for all hours worked.

ARTICLE VIII **SENIORITY**

Section 1. Seniority shall, for the purpose of this Agreement, be defined as an employee's length of continuous service since the last date of hire with the Employer in a position covered by this Agreement. Seniority shall be terminated when an employee: (a) quits; (b) is discharged for cause; or (c) an employee on layoff does not report back to work within three (3) working days.

Section 2. Assignment to a post will be made, whenever practical, so that an employee will work as close to home as possible. Should a permanent vacancy occur, the assignment shall be determined by length of service and proximity of residency to the assignment. However the Police Department can make exceptions to the above procedures when it deems it is in the best interest of the Employer. Assignments to fill temporary vacancies will be determined by the Police Department. The above procedures shall not be used to bump employees from their current assignments and the Employer will continue to exercise its rights in determining the priority of posts and the filling of vacancies.

Section 3. Any bargaining unit employee who terminates employment with the Employer and is rehired by the Employer in a regular vacant position within one (1) year, shall receive a starting rate of pay not less than the rate the employee received at termination. After six (6) months of continuous service, full seniority will be reinstated.

ARTICLE IX **PROBATIONARY PERIOD**

Section 1. All new employees and those hired after loss of seniority shall be considered probationary employees until they complete a probationary period of six (6) months. Section 2. During the employee's probationary period, the employee shall be represented by the Union except in cases of dismissal. There shall be no seniority among probationary employees. Upon successful completion of the probationary period, an

employee shall gain the right to Union representation and shall acquire seniority which shall be retroactive to the last date of hire with the City in a position covered by this Agreement.
