

Public Comments Q & A Meeting

The City Council will hold open public comment forums on the following days:

December 19, 2011

March 19, 2012

June 18, 2012

September 17, 2012

December 17, 2012

The purpose of these forums is to allow the City Council to hear from the public in a setting that allows for discussion of issues important to the City but not otherwise before the City Council on their bimonthly action item agendas.

These meetings shall be in a question and answer style format. Each member of the public wishing to speak will be allowed up to four (4) minutes to address the City Council. Etiquette and decorum shall be adhered to and personal attacks will not be tolerated. Additional procedural rules will be adopted as appropriate.

All public comment meetings will be held in Council Chambers in Meriden City Hall and will begin after the City Council meeting scheduled for that night.
